

Hello Everyone.

We will be having our first annual field opening work party Saturday 3/23/24, from 8:30am until 1:00pm.

The PBSA is a wonderful organization ran by VOLUNTEERS. If an adult member from each family can find some time to come down and help with the facilities, we will be able to maintain, and improve our awesome facilities, throughout the year.

Meet at the main pavilion near field 1 and we will assign tasks for anyone who is there.

Please always remember to pick up trash anytime you see it, all of our kids accidentally drop stuff, and we're all a reflection of what our facility looks like.

Jason Scheible
Director of Field Maintenance
